## Archipelago 63

REFINING THE FORMULA FOR ADVENTURE

## FEATURES

# BUILT FOR PURPOSE

The Archipelago 63 exploration catamaran is a true multifunction vessel, engineered to meet the demining standards of a workboat with the option for a high end fit out to provide a seaworthy platform suitable for long range cruising, dive support, photography/videography and more.

The Archipelago 63 is offered in multiple propulsive options including conventional diesel, diesel hybrid and direct injection methanol.
